* We conserve water whenever we can, so you must request it. Our tablewater is the same water we use to make our beer, using a sanitized, charcoal filter process to remove off-flavors and chemicals.

Designated Drivers get free soda or iced tea when you declare yourself as such to your server.

Ladyface Ale Company and the Brewers Association remind beer enthusiasts everywhere to "Savor the Flavor Responsibly." We encourage moderation in alcohol consumption, quality-over-quantity and offer rewards for designated drivers. For your own safety and others, please don't drink and drive. Know your limits. Instead of risking a penalty or an accident, designate a driver before going out or call a cab. Play it safe and savor the flavor again another day.
